The Student Government Association (SGA) works for, with, and on behalf of the student body of Lenoir-Rhyne. Through elected or appointed students it is involved in virtually every aspect of the campus from governance to activities. Any person enrolled as a student is a member of the Association and, thereby, has a right to take part in the programs and activities of the Association both as leader and participant.

It is commonly recognized that members of any community are granted particular rights and, as rights are granted to a community, responsibility is required of the individual members. Each member of the community is responsible for upholding the values central to LRU's mission and the values of excellence, integrity, care, and curiosity. The valued principle of integrity, however, requires community members to take personal responsibility for their words and actions. LR's University Judicial System is designed to support this principle through consistent procedures and appropriate sanctions when necessary.
